

CURRICULUM AND LEARNING ENVIRONMENT

- Does the program have a structured curriculum that covers cognitive, social, emotional, and physical development?
- Is the curriculum play-based, allowing for exploration and hands-on experiences?
- How are activities tailored to meet the different development needs of children?

STAFF QUALIFICATIONS

- What qualifications and training do the teachers and caregivers have in early childhood education?
- How long have the staff members been working with children in this setting?

CHILD-TO-STAFF RATIO

- What is the teacher-to-child ratio in the classroom?
- How does the program ensure individual attention to each child?

SOCIAL-EMOTIONAL DEVELOPMENT

- How does the program promote social and emotional learning?
- What strategies do teachers use to help children develop self-regulation and cooperation skills?

COMMUNICATION AND LANGUAGE

- How does the curriculum support language development and literacy skills?
- How are children encouraged to use social skills and communication with peers?

INCLUSIVITY AND DIVERSITY

- How does the program foster an inclusive environment that respects diversity?
- Are there multicultural elements incorporated into the curriculum?

HEALTH AND SAFETY

- What health and safety standards does the facility follow?
- How often are safety drills practiced, and what emergency procedures are in place?
- Are all staff CPR and First-Aid Certified?

PARENT INVOLVEMENT

- How are parents involved in the program? Are there opportunities for volunteering or attending events?
- What communication methods are used to keep parents updated about their child's progress and activities?

ASSESSMENTS AND PROGRESS REPORTING

- How often does the program conduct assessments of child development?
- What information is shared with parents about their child's growth, and how is it communicated?

ENVIRONMENT AND RESOURCES

- Are the learning materials and play equipment age-appropriate and safe?
- How does the environment encourage exploration, creativity, and social interaction among children?
